

Today, I'm going to talk about the song called Country Roads.

This Tuesday, I went to Ame-yoko by bike to take some pictures.

I talked to the foreigners.

Excuse me! Could I take your pictures?

Okay.

Cheese! Thank you!

By the way, I'm practicing English conversation now.

Could I talk to you?

Sure.

Where are you from?

I'm from the U.S.A., Virginia. I'm from Virginia too.

Wow! Virginia! It's a beautiful country! Do you know the song of Country Road?

Of course.

Let's sing together.

Country roads, take me home

To the place I belong

West Virginia, mountain mamma

Take me home, country roads

Good boy!

Thank you for listening.
