

I'll explain "Minami-Koshigaya Awa-Odori."

It is a Dance Festival.

Dancers wear a yukata.

It's a kind of summer kimono.

They dance to the accompaniment of Japanese drums,
samisens, flutes and gongs.

Women's dancing is fascinating.

Men's dancing is dynamic.

They dance on the street, on an indoor stage.

You can also join the dance.

It is held every August.

Well, I'll show you the video.

How was it?
