Hello, everyone. I'll explain Olympic Flags.

The Tokyo Olympics will be hold in 2020.
The left frag is 2020 Tokyo Olympic Flag.
The right frag is 2020 Tokyo Paralympic Flag.
They came to Kosigaya on August 9.
They were exhibited in Kosigaya City Office only for one day.
A lot of citizens of Koshigaya came to see them.
Some people took pictures there.
They are touring all over Japan now.
Not allowed to touch the flags.
But they're not real. *They は flags
Thank you for listening.
